

Our Pipe Internal products

RESICOAT® Experts in Functional Powder Coatings	AkzoNobel Resicoat® (Corvel®) Product ^a	Color	Oil and Gas applications						CO ₂	Drinking water	Salt water	Waste water
			Line pipe	Drill pipe	Tubing/Casing	Girth welds						
For the most common conditions	HMH09QF (10-8158)	Tan	•					•		•	•	
	HKF47R	Green	•		•				•	•	•	
Excellent flexibility, excellent abrasion resistance, very good chemical resistance	HLF2AQF (78-7001-60)	Black			•							
Good combination of toughness, chemical resistance and flexibility	HKH12QF (10-6051)	Green	•	•	•			•		•	•	
	HMH10QF (10-8233)	Brown									•	

Notes:

^a The products may be labeled with other codes when produced in Europe

^b Used over Resicoat® primer 596301 (Corvel® EP-10) for epoxy powder or Resicoat® primer 596004 (Corvel® 7P-0200) primer for nylon powder providing good adhesion for resistance to H₂S, CO₂, CH₄, petroleum distillates, etc.
